or Thursday, February 18, 6:00 pm to 8:00 pm

For many years, membership in our Unity communities was as easy as a conversation with the minister, or attending a brief class about the basics of Unity. There was no requirement for commitment or volunteering. Join Rev. Stephanie Seigh as we explore the importance of substantive membership requirements.

This workshop features all new content designed especially for Unity Eastern Region, and satisfies the new Administration/Management CEU requirements for credentialed Unity leaders.

INVESTMENT:
