

## A Time for Healing – Coming Together in Prayer
## Thursday, January 28, 2027 | 6:30 PM ET | Online

"Our first duty, then, is to bless our body and to get our thoughts right down into it, to praise its wonderful work."— Myrtle Fillmore

Unity began with prayer for healing. Myrtle Fillmore believed in the power of affirmative prayer and the divine life within each of us. Her healing journey helped give birth to the Unity movement. As we begin a new year, we'd like to return to those roots. Please join us for an evening of prayer, meditation, and healing.

We'll come together to hold one another in love, pray for those in need of healing, bless our Earth, and affirm peace in our communities and throughout the world. We'll have people from across the Eastern Region sharing prayers and meditations, and Reiki practitioners joining us to hold healing energy for everyone.

**Calling Reiki Practitioners!**
We would love to have Reiki practitioners join us in sharing the gift of Reiki and holding a space of healing, love, and peace during our vigil. Whether you're experienced in offering Reiki in groups or simply feel called to share your healing presence,we'd love to hear from you.

**If you'd like to volunteer, please reach out to unityradiantlight@gmail.com.**

And to everyone joining us, there's nothing you need to do or prepare. Just come as you are, with an open heart. There is something beautiful about coming together in prayer, knowing that wherever we are, we are connected in Spirit.

Hosted by the Keepers of the Light, a subteam of the Unity Eastern Region Social Action Team,
with Unity Radiant Light organizing the event.
All are welcome. We hope you'll join us!
