Spiritual Leader, Unity of Central Massachusetts, Northborough, MA

Responsibilities included monitoring and reviewing all daily, weekly, and monthly events. Navigated a move from a “church in a box” set up in Worcester, MA to renting space in Northborough, MA to use as we desired. Facilitated classes, attended all Board meetings, met one-on-one with Board members to encourage and empower them to step up to a leadership role. Started a book study with a different format on Saturday mornings (which continues to this day) – read the entire book together, as a group, one or two paragraphs at a time, taking as long as it takes on any given day. Some books were completed in a few months and some took more than a year. Also facilitated town hall meetings when necessary, listening to the members, and implemented change when new ideas were presented.
