LONGER BIO for Rev. Bil and Rev. Cher Holton:

Combine a flair for the dramatic, a deep understanding of metaphysics, a commitment to a “bumped up theology,” an ability to think outside the box, and a knack for bringing scientific research and spiritual practices to life in practical ways, and you have defined Revs. Drs. Bil & Cher Holton, the dynamic duo who are at the heart of the Unity Center for YOUiversal Prosperity, a Unity-approved, Events-driven Unity Alternative Ministry.

Revs. Drs. Bil and Cher Holton bring quite a background of experience and depth of knowledge to this special ministry. It all began back in 1984, when together they founded The Holton Consulting Group, Inc., which is still alive and well today! As corporate Impact Consultants, they work with clients in the U.S., Canada, Germany, England, and South America, with a mission of maximizing Extraordinary Leadership, Extraordinary Teams, and Extraordinary Customer Relationships. Their impressive client list includes Fortune 100 companies, healthcare facilities, universities, associations, and government agencies.

As a subsidiary of their consulting firm, the Holtons created two publishing enterprises: Liberty Publishing Group (focusing on professional and personal development publications) and Prosperity Publishing House (focusing on books for spiritual enrichment and education). They have published over 70 titles, including *The Manager’s Short Course to a Long Career* which was selected by

SoundView Executive Summaries as one of their Top 30 Business Books, and *New Metaphysical Versions of Matthew, Mark, Luke, John, and Revelation* – the first ever verse-by-verse metaphysical interpretation of these books.

In 2005, the Holtons followed their hearts, and entered into a spiritual training program that resulted in becoming ordained Unity ministers. After serving churches in Durham and Greensboro, NC, they are now committed to a more global ministry through their Unity-approved, Events-driven Unity Alternative Ministry: Unity Center for YOUiversal Prosperity. Their spiritual mission is to inspire people to recognize their Divine Genealogy and guarantee uninterrupted prosperity and timeless enlightenment, as they master the art of living by walking the spiritual path on practical, positive, prosperous feet.

On a personal note, the Holtons like to push the envelope and maintain their zest for life by taking what they call “Indiana Jones Adventures,” such as white-water rafting, sky diving, and fire walking. But one of their proudest achievements is becoming National Amateur Student-Couple Ballroom Champions in several American-style ballroom dance categories! Although they have retired their competitive dance shoes, Bil and Cher love to perform ballroom showcases and exhibitions. They also enjoy visits with their two sons, beautiful daughters-in-law, seven incredible grandchildren, and one great grandson!
